U-CHANNEL PRIVACY BRACKET SET

Build a custom privacy screen using posts* and slats* of your choice!

Set includes two (2) powder-coated aluminum U-channels, two (2) bottom locking blocks, two (2) top locking blocks & thirty-six (36) spacers.

U-channel can accommodate slats up to 27mm (1.06") thick. Small shims* can be cut to create a tighter fit with thinner slats.

* not included
